

MOS EISLEY BUILDINGS

Mos Eisley Building Instructions

1. Print out on card stock, or print on paper and glue to thin cardboard, such as a cereal box.
2. Cut out each piece along solid lines.
3. Carefully score along dashed lines.
4. Glue and assemble buildings, antechamber, wall extension, and buttresses.
5. Glue antechamber to a side of Building #1.
6. Glue wall extension to a side of Building #2.
7. Use your creativity and glue doors, arch insets, windows, and wall designs to the sides of the buildings.
8. Glue and assemble additional props, and display next to buildings.
9. Have fun with the Kinect™ *Star Wars*™ papercraft rancor and have it stomp through Mos Eisley!
